CREDITOR AGENCY PROFILE UPDATING

Each creditor agency has detailed record information in KTOP. Any time a creditor agency has a change to their name, sub-department, website, general contact information, notification contact information, and/or transfer contact information, a user with permission to view the agency can request a modification. Below is a description of what each contact is used for. Agencies can use the same person for two or all three contacts, or different people for each.

General Contact Will be used as primary contact information and will receive basic

correspondence sent out by KTOP

Notification Contact Will be printed on letters to debtors sent by KTOP

IT IS RECOMMENDED THAT AGENCIES USE SOMETHING GENERIC SUCH AS "Business Office", AS THIS INFORMATION WILL BE GIVEN TO DEBTORS.

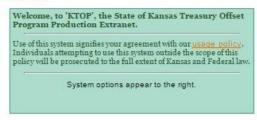

Transfer Contact Will receive information regarding payments intercepted and sent to the

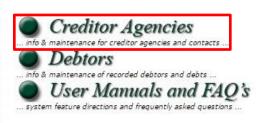

creditor agency for debts
